BREMERTON, Washington (July 14, 2017) Sailors assigned to USS John C. Stennis (CVN 74) listen to Capt. Roy Nafarrete, the Pacific Fleet sexual assault prevention and response officer, give a "Change the Culture" presentation. The presentation seeks to address the root issues behind sexual harassment, assault, and discrimination in the Navy. John C. Stennis is conducting a planned incremental availability (PIA) at Puget Sound Naval Shipyard and Intermediate Maintenance Facility, during which the ship is undergoing scheduled maintenance and upgrades.
